BALD EAGLE-NITTANY HIGH SCHOOL

MILL HALL PENNSYLVANIA

FOREWORD

As another year comes to an end, we Seniors look back on our school with pride. In every field there were leaders produced - sports, scholarship, and citizenship.

The future of Bald Eagle-Nittany is bright and promising. Even though we look back with tear dimmed eyes, we know that others will carry on the tradition of B.E.-N.

DEDICATION

We of the Yearbook Staff would like to dedicate this year's book to our first Foreign Exchange Student, Johnny Tan.

Johnny came to us from the Philippines. He was in the Senior Class, although he had already graduated from high school with honors as President of his class. After his return to the Philippines, he would like to continue his studies in architecture.

Johnny enjoyed a trip to Hershey, a trip to Piper, and a trip by bus with many other foreign exchange students.

Johnny displayed an outstanding ability in art, among many other fields.

We hope in some small measure to show Johnny Tan just how much we have enjoyed having him at our school.

The Yearbook Staff has the most important job in the school - that of preparing a "book of memories".

The Yearbook Editorial Staff collects all the pictures and information about Seniors, clubs, sports, and all the other activities throughout the year. It is their job to write all copy, do all layouts, identify the pictures, and choose the cover.

The Yearbook Business Staff has an equally hard job. They are responsible for all advertising, as well as all of the typing.

Working together, these two staffs strive to produce a book that will be long remembered.

The Honor Society contributed heavily to the fund for foreign exchange students. At Christmas time the members supplied several needy children with Christmas baskets. The money for these projects came from the proceeds of their annual dance.

This year the Honor Society traveled to Lock Haven to induct their new members into the National Honor Society. An assembly was also held at our school during which our Honor Society inducted its new members.

B.E.N. BAND

BAND

Our band is a very important part of our school. It has proven very successful playing at football games, parades, and pep assemblies. The band gives the student body the opportunity to broaden their musical talent by giving them the chance to act as participants.

The success of the band is due largely to Mr. Howard Lamey, our director. A concert, given by the band was another achievement of our band this year. Through hard work and many practices the band brought praise and honor to our school.
